Website Improvement

Create a page called "**Industries We Serve**

- Corporate
- Education
- Retail

- Healthcare
- Hospitality
- Automobile
- Manufacturing
- Government
- Banking

For each industry, add:

- Industry challenges
- AV solution provided
- Benefits
- Product recommendations
- Case studies/photos

• **Add Project Portfolio / Case Studies**

Create a page called **Projects** and showcase:

- Project Name
- Location
- Solution Provided
- Before & After Photos
- Client Benefits

Example:

- Digital Signage Installation in Mall
- Video Wall Setup in Corporate Office
- Interactive Panel Installation in School

Add Industry-Wise Solutions Page

Create separate pages for:

- Education Solutions
- Corporate Boardroom Solutions
- Healthcare Solutions
- Retail Solutions
- Hotel & Hospitality Solutions
- Government Solutions

Add Product Categories with Details

- Specifications
- Features
- Download Brochure
- Product Images

- Inquiry Button

For:

- Interactive Flat Panels
- Digital Signage
- Video Walls
- Video Conferencing Systems

Add Certifications & Achievements

- ISO Certification
- Authorized Partner Certificates
- Awards
- Years of Experience
- Number of Projects Completed

Add a Blog Section

Useful topics:

- Best Interactive Panels for Schools
- Digital Signage Benefits
- Video Conferencing Room Setup Guide
- AV Solutions for Corporate Offices

Add Strong Call-To-Action Buttons
